This document constitutes a supplement (the "**Supplement**") to the prospectus dated 8 September 2015 as supplemented by supplement dated 8 October 2015 (the "**Prospectus**"), pursuant to article 13 of Chapter 1 of Part II of the Luxembourg Law dated 10 July 2005 on prospectuses for securities (the "**Law**"), and should be read in conjunction with the Prospectus.

Terms defined in the Prospectus have the same meaning in this Supplement.

This Supplement contains updated information relating to the Prospectus. Any Prospectus information not supplemented herein should be regarded as unchanged. This Supplement shall be published on the Issuer's website (<http://www.uk.x-markets.db.com/UK/showpage.asp?pageid=212>) and on the website of the Luxembourg Stock Exchange ([www.bourse.lu](http://www.bourse.lu)).

The Prospectus is revised in this respect with effect from and including the date of this Supplement.

The Issuer accepts responsibility for the information contained in this document, including information contained in any documents incorporated by reference in this Supplement. To the best of the knowledge and belief of the Issuer (who has taken all reasonable care to ensure that such is the case) the information contained in this document is in accordance with the facts and does not omit anything likely to affect the import of such information. Save as disclosed in this Supplement, no other significant new factor, material mistake or inaccuracy relating to information included in the Prospectus has arisen or been noted, as the case may be, since the publication of the Prospectus.

To the extent that there is any inconsistency between (a) any statement in this Supplement and (b) any statement in the Prospectus, the statements in (a) above will prevail.

In accordance with Article 13 paragraph 2 of the Law, investors who have already agreed to purchase or subscribe for securities before the Supplement is published shall have the right, exercisable within a time limit of two working days after the publication of this Supplement to withdraw their acceptances. Investors may therefore withdraw their acceptances by the 22 October 2015. This withdrawal right will only apply to those investors who have agreed to purchase or subscribe the securities in accordance with the Prospectus before the publication of this Supplement and for which the offering period has not yet elapsed or admission to trading on a regulated market has not yet been obtained as of the date of this Supplement.

## **SECOND SUPPLEMENT TO THE PROSPECTUS DATED 8 SEPTEMBER 2015**

**This Supplement is dated 20 October 2015.**

**On 7 October 2015 the following announcement has been published:**

“Deutsche Bank announced on 7 October 2015 that it expects to incur the following charges that will materially impact third quarter 2015 results:

- An impairment of all goodwill and certain intangibles in Corporate Banking & Securities (CB&S) and Private & Business Clients (PBC) of approximately EUR 5.8 billion. This is largely driven by the impact of expected higher regulatory capital requirements on the measurement of the value of these segments as well as current expectations regarding the disposal of Deutsche Postbank AG.
- An impairment of the carrying value of Deutsche Bank's 19.99% stake in Hua Xia Bank Co. Ltd. of approximately EUR 0.6 billion. This reflects an updated valuation triggered by a change of the intent of the holding as Deutsche Bank no longer considers this stake to be strategic.
- Litigation provisions of approximately EUR 1.2 billion, the majority of which are not expected to be tax deductible. Final litigation provisions in the quarter may be affected by further events before the Issuer finalizes and reports third quarter results.

The impairment of goodwill and intangibles and of the Hua Xia investment will have no significant impact on Deutsche Bank's regulatory capital ratios. Deutsche Bank currently expects to report a fully-loaded CRR/CRD4 Common Equity Tier 1 ratio for the third quarter of approximately 11%, which includes the impact of European Banking Authority Regulatory Technical Standards (“Prudential Valuation”) that were adopted in the quarter.

Based on these charges, Deutsche Bank expects to report a third quarter income before income taxes (IBIT) loss of approximately EUR 6.0 billion and a net loss of EUR 6.2 billion. Year-to-date results through the third quarter are expected to be an IBIT loss of approximately EUR 3.3 billion and a net loss of EUR 4.8 billion.

Excluding the impact of the impairment of goodwill and intangibles, the third quarter IBIT loss would be approximately EUR 0.2 billion and the net loss would be approximately EUR 0.4 billion, largely reflecting the litigation provisions and Hua Xia impairment. On the same basis, Deutsche Bank expects to remain profitable year-to-date through the third quarter with IBIT of approximately EUR 2.5 billion and net income of approximately EUR 0.9 billion.

As part of the planning for the implementation of Strategy 2020, the Management Board will recommend a reduction or possible elimination of the Deutsche Bank common share dividend for the fiscal year of 2015.

All the aforementioned amounts are estimates. The final amounts will be determined in the weeks after 7 October 2015 and will be disclosed in an announcement of third quarter results, together with details of the implementation of Strategy 2020, which is now scheduled to occur on 29 October 2015.”

**Following such announcement on 13 October 2015 a third supplement to the EMTN Base Prospectus dated 25 June 2015 has been approved.**

**The Prospectus is accordingly amended as follows:**
