

X-pert Index Certificates on Multi Indices in EUR

Open End

Final Termsheet

Description of the Products

These X-pert Index Certificates – Open End (the “Certificates”) are EUR denominated Certificates linked to the performance of the DAX, the DJ Euro STOXX 50 Index, the DJ Euro STOXX Technology Index or the DJ Euro STOXX Telecoms Index (each an “Underlying Index”). The Certificates are open end products. The Certificates track the performance of the relevant Underlying Index on a one to one basis. At Termination Date, the investor will receive the actual level of the relevant Underlying Index converted into EUR. The Certificates are not capital protected. The performance of the relevant Underlying Index can be negative and the investors may lose their entire investment. The Certificates are interesting for an investor who expects a positive performance of the relevant Underlying Index.

Disclaimer

Product Risks: The Securities are derivative financial instruments. An investment in the Securities entails risks similar to a direct investment in the Underlying. This is an investment in an emerging market. The investor bears a foreign exchange risk. An investment in the Securities could result in a total loss of the invested capital.

Issuer Risk: The investors bear the credit risk of Deutsche Bank AG as issuer of the Securities. The value of the Securities depends not only on the performance of the Underlying but also on the solvency of the Issuer, which may vary over the lifetime of the Securities. The Securities are unsubordinated, unsecured contractual obligations of the Issuer. They do not benefit from any preference in rank. The insolvency of the Issuer may lead to a partial or total loss of the invested capital.

This document contains a short summary description of the most relevant terms and conditions of the above-described Securities (the "Securities"). The complete terms and conditions are included in the Offering Circular. Capitalized terms which are not defined herein have the same meaning as in the Offering Circular. The facts contained herein are merely for information purposes. This document, and the information contained therein, does not constitute an issue prospectus according to the articles 652a and 1156 of the Swiss Code of Obligation ("CO"). Only the terms and conditions included in the Offering Circular, which can be obtained free of charge at Deutsche Bank AG, Zurich Branch, P.O. 3604, 8021 Zurich, are binding.

The Securities are not collective investment schemes pursuant to the Swiss Collective Investment Schemes Act ("CISA") and are, therefore, not subject to authorisation by the Swiss Federal Banking Commission.

In connection with the offer and sale of the Certificates, the distributor may acquire the Certificates from the Issuer at a discount to the Issue Price or at the Issue Price. If the distributor acquires the Certificates at the Issue Price, the Issuer may pay to the distributor a distribution fee. Such fees received by the distributor may be in addition to the brokerage commissions/fees normally applied by the distributor. The investor acknowledges and agrees that such fees are retained by the distributor. Further information is available from the distributor upon investor's written request.

If applicable, the distributor may receive a portion of the management fee on a recurring basis (trailer fees) for efforts undertaken by the distributor for placement/distribution of the Certificates and other services rendered. The investor acknowledges and agrees that such fees are retained by the distributor. Further information is available from the distributor upon investor's written request.

In receiving payments by third parties, the distributor's interests may be adverse to those of the holders of this investment product and such payments could therefore adversely affect the investor's return on the investment product.

This document, and the information contained therein, does not constitute the provision of investment advice; its sole purpose is the description of the Securities. Investing in these Securities entails risks and a decision to invest must in all cases be taken only based on the Offering Circular. Please consider all risks described in the Offering Circular carefully prior to investing in the Securities and consult your professional independent financial, legal, accounting, and/or tax adviser with respect to an investment in the Securities. For further information, please contact your personal client advisor.

All opinions contained herein are based on the current view of Deutsche Bank AG, and may be amended without prior notice. Deutsche Bank AG does not make any representation, recommendation or warranty, regarding the accuracy, adequacy, reasonableness or completeness of the information contained herein, even though all information contained herein originates from reliable sources. All rates and prices are subject to changes and are published for information purpose only and not as indicator for tradable rates and prices. Past performance is not indicative of future results.

The distribution of these Securities is prohibited in some jurisdictions. This document and the information contained herein may only be distributed and published in jurisdictions in which such distribution and publication is permitted. In particular these Securities may not be offered or sold in the United States, the UK, Canada, Japan, the European Economic Area or to US Persons.
