In den Produktbedingungen der Wertpapiere wird in der Definition "Maßgeblicher Wert des Referenzpreises" für den relevanten Goldpreis auf das London Fixing Bezug genommen. An der Referenzstelle wird nun nicht mehr auf ein Fixing abgestellt sondern auf den Auktionspreis „LBMA Gold Price“. Um diesem Umstand Rechnung zu tragen, werden die Angaben zum Goldpreis in der Definition "Maßgeblicher Wert des Referenzpreises" angepasst und lautet nunmehr wie folgt:

„Maßgeblicher Wert des Referenzpreises

Der Auktionspreis des *Basiswerts* an der *Referenzstelle* "LBMA Gold Price" um 10:30 Uhr (Ortszeit London).“

Frankfurt am Main, am 20. März 2015

Deutsche Bank AG
